Lord
My Yard is a mess
The grass needs mowed
I planted some flowers
But they didn't grow.

The neighbor's yard is beautiful
The flowers came up
The prettiest rose you've ever seen.

I looked out my window
And seen quite a sight
My messy yard was covered in white!

The trees are a glow
The sun shinning bright
They are all covered in white
What a beautiful sight.

Thank you, LORD I pray.
