"You don't move on after loss, but you must move with.

You must shake hands with grief, welcome her in, for she lives with you now.

Pull her a chair at the table and offer her comfort.

She is not the monster you first thought her to be.

She is love.

*And she will walk with you now, stay with you now peacefully,
if you let her.*

*And on the days when your anger is high,
remember why she came.*

Remember who she represents.

Remember

Grief came to you, my friend, because love came first.

Love came first."

Every Sinner has a Future"*
