*In Loving Memory of
Richard (Rich) Allison Gill.*

*Born - January 3, 1944,
Passed Away - May 10, 2025*

*Rich was an avid outdoorsman
whether it was camping with
his family or working in his shop
on different wood projects.*

*Rich could never tell his
grandkids or great kids no, if they
wanted to stay the night or go
fishing it was happening. He was
the neighborhood bicycle
repairman for all the
neighborhood kids.*
