From Heaven's light, I'll watch over you,
 A guardian angel, strong and true.
 Though I may be gone, my love remains,
 Guiding you through life's joys and pains.
 I'll send you signs, so you know you're not alone,
 In every gentle breeze that softly blows,
 In every blooming flower that grows,
 In every ray of sunshine that warms your face.
 I'll send you my love and embrace.
 Know that I am always by your side,
 In spirit, love, and eternal pride.
 So when you feel lost or filled with despair,
 Look up to the sky and I'll be there.
 I know that you miss me but dry your eyes.
 I'll be watching you, from my home in the sky.
 Life on earth is but one brief moment in time,
 I am finally home, Eternity is mine.
