I've loved, I've laughed and cried
I've had my fill, my share of losing
And now, as tears subside
I find it all so amusing
To think I did all that
And may I say, not in a shy way
Oh, no, oh, no, not me
I did it my way

For what is a man, what has he got?
If not himself, then he has naught
To say the things, he truly feels
And not the words of one who kneels
The record shows I took the blows
And did it may way
