Officiating.....Pastor Brenda Sene

*The love you shared didn't live in their body.*

*It lives in you.*

*The memories aren't just things you recall.*

*They're the foundation of who you are.*

*Living your life with everything they gave*

*you,*

*everything they taught you,*

*everything they planted in you,*

*is how they live on.*

*Not as a ghost you desperately cling to,  
but as a presence woven so deeply into your  
being that even death couldn't take it away.*

*Jameson Arasi*
