### Grandpa

Always put up the trampoline for me and my sister  
when we were younger.

I always loved how annoying he was, it made me  
happy.

He always loved watching football with my mom.

He always built stuff for my family.

Mom would get angry when he wouldn't let quarter  
inside.

I remember grandma telling me stories about how  
they met.

He always wanted me to get a bunch of ladies.

He'd call me almost every day with his nice voice.

I'd always sit in the back of truck with quarter no  
matter how cold it was.

I always love going to the pool with him.

He's always hid my phone and play tricks on me.

We all knew he cared about all of us.

With all his heart

David Voyles, I Love You Grandpa
