Mother's Promise

*I have loved and cherished you from the
moment you came into being within me
Although you are each individuals, destined
to follow your own path in God's omnipotent plan,*

*You will remain in my heart
until I draw my last breath.*

*I protected and nourished you while within,
joyfully anticipating your birth and celebrating
the beginning of your independent journey.*

*Your name was chosen in honor of
cherished loved ones within our family tree.
May their spirits ever hold you in special favor.*

*I promise to guide you on your path
Never closing your options.*

*I promise to share your successes and
accept your failures as your learning opportunities.*

*Your joy will be my joy
Your sorrow will be mine.*

*I will support your choices in life
as your family becomes mine.*
