Forever in My Heart

*I stand before you to remember my
dearest husband, the most affectionate and
loving man who has been taken from us
too soon. He was my best friend and
soulmate and I'm devastated that he is no
longer with us.*

*The love and bond that we shared was
unique and special. He was there for me
through the good times and the bad and
could always put a smile on my face. I will
be forever grateful for how much joy and
love he brought to my life.*

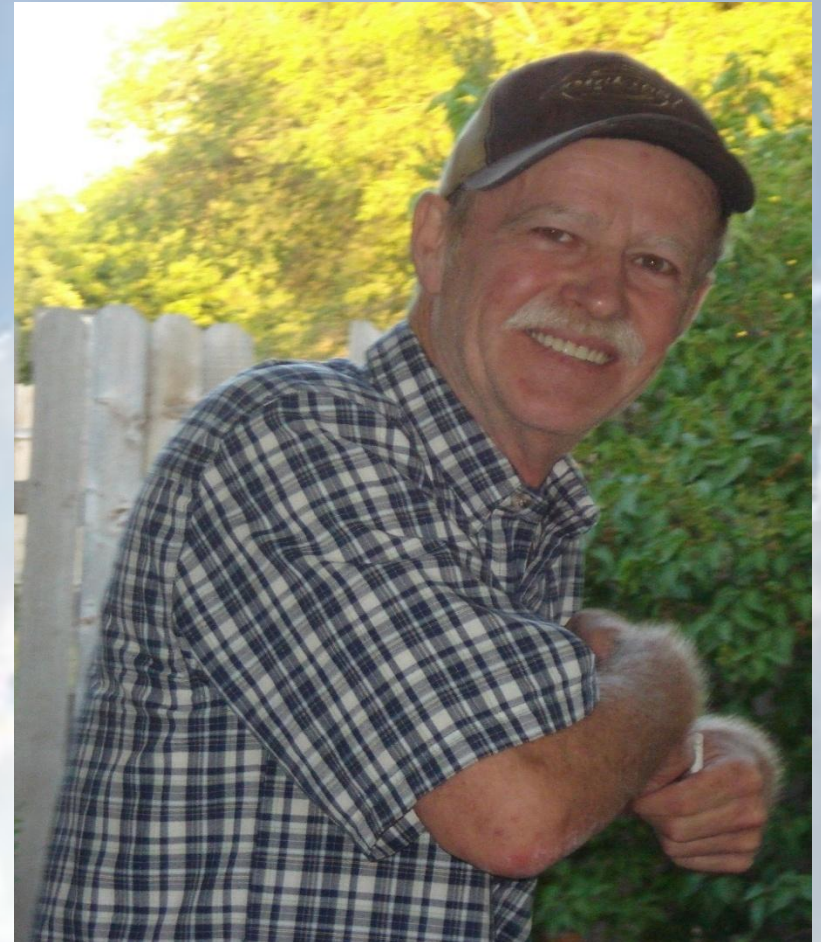

*No one will ever replace him and I hold
those treasured memories we shared deep
in my heart. He won't ever be forgotten.*

Love your wife Betty
