Daddy don't be sad
Mommy please don't cry.
I'm safe in grandma's arms
While she sings me lullabies.

I know your hearts are hurting
I know it's hard to smile.
But so very blessed I am
To always be your child.

Mommy I know you loved me
I loved to hear your voice.
Daddy I know you loved me
I'll always be your baby boy.

I'll live in heaven with grandma
Until we meet again
With angel wings and halos
Love your baby boy, Aisen.
