~The Rose~

Some say love, it is a river,
 that drowns the tender reed
 Some say love, it is a razor,
 that leaves your soul to bleed
 Some say love, it is a hunger,
 an endless aching need
 I say love, it is a flower, and you,
 its only seed
 It's the heart afraid of breaking,
 that never learns to dance
 It's the dream afraid of waking,
 that never takes the chance
 It's the one who won't be taking,
 who cannot seem to give
 And the soul afraid of dying,
 that never learns to live.
 When the night has been too
 lonely and the road has been too long.
 And you think that love is only
 for the lucky and the strong.
 Just remember in the winter,
 far beneath the bitter snows
 Lies the seed, that with the sun's
 love in the spring becomes the rose.
