#### *The Fly Anglers Prayer*

O lord send me a fly,  
So that when I cast  
Over a salmon lie,  
A long slow pull will feel  
With the bending of my rod,  
And the screaming of my reel.  
And Lord please  
Do not let it be  
The cursed branch,  
Of a moving underwater tree.  
And when my spirit's in the sky,  
I'll need a clever coloured fly,  
To cast across a good trout lie,  
And hook a fish with clear fierce eye.  
Oh listen Lord, and hear this prayer;  
We fly rod folk are people rare,  
We fish the fly with skill so fair,  
Don't leave us just to stand and stare.
