Going Home

Lord prepare my mansion for me
This mansion I so long to see
Yes Lord prepare my mansion for me
Lord I evermore long to be with you
Set a place at the table for me Lord
I'll be home by supertime Lord
The sun is crossing in the sky
It's now past noon
Evening is now coming on
I'm packed and ready to come home
So prepare my mansion Lord
Set a place at the table for me Lord
Soon my Lord and Savior I will see
I'll be with loved ones that have gone before
Keep me along the way Lord
So I'll make it home on time
